Most walks are suitable for anyone ages 8+ interested in looking at the world through the lens of STEM. All walks are free access. If the walk is at a ticketed site, walker(s) are responsible for their own tickets.

OVER 200 STEM WALK STOPS  
each focused on a single STEM question about that location!

Scan this QR code to see all videos and filter by location, theme, age, and more!

Scan this QR code to take a free app-guided STEM walk. Download the Otocast app, search for walkSTEM, then select your location.
